| 1. Project-related activities  
(Is project feasible? Is the scope appropriate?) |          |         |          |          |          |          |       |
| 2. Expected impacts  
(Will this experience help the student?) |          |         |          |          |          |          |       |
| 3. Determination  
(Does the student have experience overcoming adversity/obstacles?) |          |         |          |          |          |          |       |
| 4. Overall perception of application |          |         |          |          |          |          |       |
