OSU Undergraduate Research/Arts Fellow
Transcript Notation
Form A
Guidelines and Application

Form A is to be submitted by students in the University Honors College, International Education and in the BioResource Research major upon the successful conclusion of the thesis defense. Students in these majors who wish to obtain the transcript notation prior to the thesis defense or for non-thesis related projects must submit Form B.

With the signatures below, each person certifies that the student identified below has satisfied all requirements for completion of his/her thesis, including a successful defense.
